"Pretty Legal"

A Play Written & directed by emerging queer playwright Faith Ward.

Amidst the passing of the marriage equality bill, law firm colleagues Katrina and Olivia finally leave their lavender marriages for each other, while their husbands do the same. All is well, now that it's "*pretty legal*" ...or is it? Bittersweet, heartfelt, and acerbically clever... join these four conventionally unconventional Gen X-ers as they navigate love, loss, and life in the John Key era.
